The Willy-Brandt-Halle offers an event space of 550 square metres in the Main Hall and the Small Hall.

In combination with the foyer, you can have a total of 1,000 square metres at your disposal. The space benefits from plenty of natural light thanks to the extensive window façades in the foyer and the Main Hall.

In terms of maximum capacity, we can offer the following seating arrangements:

Foyer and Entrance

An inviting entrance: The foyer, with a floor space of over 400 square metres, overlooks the park surrounding the Willy-Brandt-Halle. It features an integral bar with drinks refrigerators.

The foyer is more than just an entrance hall. It can be used for receptions, exhibitions, or even family celebrations for up to 100 guests.

A cloakroom for over 600 people is located in the basement.

The Willy-Brandt-Halle also ensures a warm welcome.

The entrance area and the hall itself are fully accessible, as are the bathrooms.

Training and Meeting Rooms

The ground floor of the wing, accessed via a separate entrance on the left-hand side of the building, is home to our meeting rooms. Guests can enjoy wonderful views of the extensive green areas around the building and the banks of the River Main.

The larger room ('Mühlheimer Zimmer') is suitable for conferences and training sessions involving up to 50 people, as well as various types of course.

The smaller room ('Dietesheimer Zimmer') holds up to 25 people. At around 140 square metres, the meeting rooms are also suitable for smaller exhibitions.

And once business is done for the day, you can relax at our league-standard nine-pin bowling alley – with professional players on hand to provide instruction as required.

Celebrate in grand style

Relax and leave all the work to us.

We will be happy to arrange and decorate our facilities exactly as you wish. Your guests will want for nothing, especially when it comes to our generous dining and dance floor facilities. Thanks to the variable combination of our halls, they will have plenty of room to dance the night away.

In total, we can offer you 1,000 square metres of space for a maximum capacity of 468 people. Chair and table covers give our location an elegant touch.

Conferences & Presentations

We are the ideal location for trade fairs, meetings and conferences. Large meetings and conferences are held in our impressive hall, which consists of two different-sized rooms covering a total of 550 square metres. High ceilings and pleasant lighting ensure a comfortable ambience. The hall has a capacity of between 330 and 568 people depending on the seating plan.

By including the foyer, you can almost double the available event space to 1,000 square metres. We will be happy to advise you on seating and podium arrangements. You can also take advantage of our height-adjustable stage.

Our hall boasts excellent acoustics and lighting. You can rely on our event technicians and state-of-the-art technology. The hall has a power supply for connections up to 125 amperes.
